2015 WHPA Award in Interprofessional Collaborative Practice

The Thai Health Professional Alliance Against Tobacco was established 10 years ago because of two reasons:  
1. It was His Majesty the King Bhumibol Adulyadej's wish to reduce the growing problems of tobacco in Thailand since 1995.

Over the years, our network has expanded and currently comprise of 21 different health professions under the support of the Thai government.

2. Service: we create a national network throughout the country.
